

To whom it may concern,

**RE: Berkshire Wedding Service**

Berkshire Wedding Services, organised a very successful Wedding Fair at The Oxfordshire Golf Club in February 2007.

I would like to state that both Jackie and Joanne, were an absolute pleasure to work with, they were always helpful and seemed passionate about the event, nothing was ever too much trouble for them and I believe they did everything they possibly could to make our event a massive success.

I would truly recommend them to anyone wishing to host their own Wedding Fair or planning a wedding.

Yours sincerely
